Useful Information^㊿ About Pension

Pension is a system that if you pay the pension insurance premium for over 10 years, you can get money from the government when you are old. You can get your pension even you don't live in Japan. Now if you don't have money to pay the pension insurance premium, there are some procedures for you to avoid paying it. And Foreigners who already paid for over 6 months can get back part of the insurance premium they paid when they leave Japan.

【Report】 Easy Table Tea Ceremony was held on Jul. 21st.

22 people participated. Two participants tell us their thoughts.

★The tea really tasted good in hot summer. We enjoyed the tea ceremony with foreigners, so
the Japanese culture was introduced to the world. Ms. Takada

★The tea I made for myself was not so good as I has thought. But the atmosphere was
really nice, and that made the tea tasted deep. Ms. Nishiyama
